

Lakewood Emission Check Station

Map is for illustraion purposes only and is not to scale.

Construction Alert.

The construction on 112th Street Southwest will continue through July of 2003 and the road will remain closed during that time. The closure blocks traffic that is west bound on 112th Street S.W. starting at Steel Street down to 34th Ave. South. Access to the test station is available from South Tacoma Way, turning left onto 112th SW until 34th Avenue South and turn left. Follow the signs.

Sorry for the inconvenience.
